2018 Transportation Conformity
Mobility 2045: The Metropolitan Transportation Plan for North Central Texas
2019-2022 Transportation Improvement Program for North Central Texas
What is NCTCOG?

The North Central Texas Council of Governments is a voluntary association of cities, counties, school districts, and special districts which was established in January 1966 to assist local governments in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development.

It serves a 16-county metropolitan region centered around the two urban centers of Dallas and Fort Worth. Currently the Council has 236 members, including 16 counties, 168 cities, 24 independent school districts, and 28 special districts. The area of the region is approximately 12,800 square miles, which is larger than nine states, and the population of the region is about 7 million which is larger than 38 states.

NCTCOG's structure is relatively simple; each member government appoints a voting representative from the governing body. These voting representatives make up the General Assembly which annually elects a 17-member Executive Board. The Executive Board is supported by policy development, technical advisory, and study committees, as well as a professional staff of 350.

NCTCOG's offices are located in Arlington in the Centerpoint Two Building at 616 Six Flags Drive (approximately one-half mile south of the main entrance to Six Flags Over Texas).

NCTCOG's Department of Transportation

Since 1974 NCTCOG has served as the Metropolitan Planning Organization (MPO) for transportation for the Dallas-Fort Worth area. NCTCOG's Department of Transportation is responsible for the regional planning process for all modes of transportation. The department provides technical support and staff assistance to the Regional Transportation Council and its technical committees, which compose the MPO policy-making structure. In addition, the department provides technical assistance to the local governments of North Central Texas in planning, coordinating, and implementing transportation decisions.

Prepared in cooperation with the Texas Department of Transportation and the U. S. Department of Transportation, Federal Highway Administration, and Federal Transit Administration.

"The contents of this report reflect the views of the authors who are responsible for the opinions, findings, and conclusions presented herein. The contents do not necessarily reflect the views or policies of the Federal Highway Administration, the Federal Transit Administration, or the Texas Department of Transportation."
NCTCOG Executive Board 2017-2018

President
Tom Lombard
Councilmember, City of North Richland Hills

Vice President
Kevin Strength
Mayor, City of Waxahachie

Secretary-Treasurer
J.D. Clark
County Judge, Wise County

Past President
Lissa Smith
Former Mayor Pro Tem, City of Plano

Director
Kelly Allen Gray
Councilmember, City of Fort Worth

Director
Douglas Athas
Mayor, City of Garland

Director
Clay Lewis Jenkins
County Judge, Dallas County

Director
Lee M. Kleinman
Councilmember, City of Dallas

Director
Curtistene McCowan
Mayor, City of Desoto

Director
Bobbie Mitchell
Commissioner, Denton County

Director
Nick Sanders
Mayor, Town of Trophy Club

Director
Keith Self
County Judge, Collin County

Director
Ray Smith
Mayor, Town of Prosper

Director
B. Glen Whitley
County Judge, Tarrant County

Director
Kathryn Wilemon
Councilmember, City of Arlington

Director
Bruce Wood
County Judge, Kaufman County

Ex Officio, Non-Voting Member
Ron Simmons
Texas House of Representatives

Executive Director
R. Michael Eastland

Regional Transportation Council 2017-2018

Rob Franke, P.E., Chair
Mayor, City of Cedar Hill

Gary Fickes, Vice Chair
Commissioner, Tarrant County

Andy Eads, Secretary
Commissioner, Denton County

Tennell Atkins
Councilmember, City of Dallas

Richard E. Aubin
Councilmember, City of Garland

Sue S. Bauman
Board Chair, Dallas Area Rapid Transit

Carol Bush
County Judge, Ellis County

Loyl C. Russell, P.E.
District Engineer, Texas Department of Transportation, Fort Worth District

Rickey D. Callahan
Councilmember, City of Dallas

Mike Cantrell
Commissioner, Dallas County

David L. Cook
Mayor, City of Mansfield

Rudy Durham
Mayor, City of Lewisville

Charles Emery
Chairman, Denton County Transportation Authority

Kevin Falconer
Mayor, City of Carrollton

George Fuller
Mayor, City of McKinney

Sandy Greyson
Councilmember, City of Dallas

Jim Griffin
Mayor, City of Bedford

Mojy Haddad
Board Member, North Texas Tollway Authority

Roger Harmon
County Judge, Johnson County

Clay Lewis Jenkins
County Judge, Dallas County

Ron Jensen
Mayor, City of Grand Prairie

Jungus Jordan
Councilmember, City of Fort Worth

Lee M. Kleinman
Councilmember, City of Dallas

Harry LaRosiriere
Mayor, City of Plano

David Magness
Commissioner, Rockwall County

Scott Mahaffey
Chairman, Trinity Metro

B. Adam McGough
Councilmember, City of Dallas

William Meadows
Board Chair, Dallas Fort Worth International Airport

Steve Mitchell
Councilmember, City of Richardson

Cary Moon
Councilmember, City of Fort Worth

Stan Pickett
Mayor, City of Mesquite

Mark Riley
County Judge, Parker County

John Ryan
Councilmember, City of Denton

Will Sowell
Mayor Pro Tem, City of Frisco

Stephen Terrell
Mayor, City of Allen

T. Oscar Trevino, Jr., P.E.
Mayor, City of North Richland Hills

William Tsao, P.E.
Citizen Representative, City of Dallas

Oscar Ward
Councilmember, City of Irving

Duncan Webb
Commissioner, Collin County

B. Glen Whitley
County Judge, Tarrant County

Kathryn Wilemon
Councilmember, City of Arlington

W. Jeff Williams
Mayor, City of Arlington

Ann Zadeh
Councilmember, City of Fort Worth

Michael Morris, P.E.
Director of Transportation, NCTCOG

NUMBER OF PAGES: 71

ABSTRACT: This report documents the conformity determination of the Dallas-Fort Worth 10-county nonattainment area. As required under Section 176(c)(4) of the Clean Air Act Amendments of 1990, Metropolitan Planning Organizations and the US Department of Transportation are to make conformity determinations on transportation plans and transportation improvement programs before they are adopted, approved, or accepted in air quality nonattainment areas. This report documents the conformity determination of Mobility 2045 and 2019-2022 TIP by demonstrating both plans meet the conformity-related requirements of the Clean Air Act (United States Code, Title 42 §7504, §7506 (c) and (d)), State Implementation Plan, and the final conformity rule (Title 40 Code of Federal Regulations, Parts 51 and 93).
# TABLE OF CONTENTS

CHAPTER 1: EXECUTIVE SUMMARY ............................................................................................................. 1
  1.1 Conformity Overview...................................................................................................................... 1
  1.2 10-County Nonattainment Area................................................................................................... 1
  1.3 Analysis....................................................................................................................................... 2
  1.4 Summary...................................................................................................................................... 2

CHAPTER 2: AIR QUALITY ............................................................................................................................. 5
  2.1 Air Pollution.................................................................................................................................. 5
    2.1.1 Ground Level Ozone ............................................................................................................. 5
  2.2 Background on the North Central Texas Ozone Nonattainment Area.......................................... 6
    2.2.1 One-hour Ozone NAAQS ...................................................................................................... 6
    2.2.2 8-Hour Ozone NAAQS........................................................................................................... 8

CHAPTER 3: CONFORMITY .......................................................................................................................... 17
  3.1 What is Transportation Conformity?.............................................................................................. 17
  3.2 Conformity Criteria....................................................................................................................... 22
  3.3 Checklist..................................................................................................................................... 23
  3.4 Emissions Analysis ....................................................................................................................... 26
    3.4.1 Regional Inventory .................................................................................................................. 26
    3.4.2 Emissions Tests ...................................................................................................................... 26
    3.4.3 Analysis Years ....................................................................................................................... 27
    3.4.4 Analysis Results..................................................................................................................... 27

IMPROVEMENT PROGRAM, AND THE 2019-2022 TRANSPORTATION IMPROVEMENT PROGRAM.................................................................................................................. 31
  4.1 Overview..................................................................................................................................... 31
  4.2 Submittal Frequency....................................................................................................................... 31
  4.3 Regionally Significant Control Program ......................................................................................... 31
  4.4 Regionally Significant Travel Projects/Programs ......................................................................... 32
  4.5 Non-Federal Projects/Programs .................................................................................................... 32
  4.6 Exempt Projects/Programs............................................................................................................. 32
  4.7 Constraints.................................................................................................................................. 32
    4.7.1 Long-Range Financial Constraint (Plan) .............................................................................. 33
    4.7.2 Short-Range Financial Constraint (TIP) ............................................................................... 33

CHAPTER 5: ESTIMATION OF VEHICLE ACTIVITY .................................................................................. 35
  5.1 Dallas-Fort Worth Travel Model for the Expanded Area Overview ............................................. 35
  5.2 Multimodal Transportation Analysis Process .............................................................................. 35
  5.3 Model Adjustments ....................................................................................................................... 36
    5.3.1 Model VMT Adjustments (HPMS VS DFX) .......................................................................... 36
    5.3.2 Seasonal and Daily Adjustments............................................................................................ 36
    5.3.3 Hourly Adjustments................................................................................................................ 37
    5.3.4 Non-Recurring Congestion .................................................................................................. 38
  5.4 Transit Systems.............................................................................................................................. 39
    5.4.1 Transit VMT ........................................................................................................................... 40
  5.7 Roadway VMT............................................................................................................................... 40
LIST OF EXHIBITS

Exhibit 1.1-1: MVEBs for the North Central Texas Ozone Nonattainment Area ................................................................. 1
