Public Invited to Attend Meeting to View Transit Concepts

BURLESON, TX – The public is invited to a meeting April 7 to view and comment on transit options and design concepts for a proposed transit station in Burleson.

The City of Burleson, the North Central Texas Council of Governments (NCTCOG), and the Fort Worth Transportation Authority (The T) will host the meeting. This is the second public meeting for the Burleson Transit Oriented Development (TOD) study. Input from the first meeting in January has been considered and incorporated into the transit service and station design concepts to be presented at the public meeting April 7.

Continued feedback from the public is critical for developing transit services and facilities that will best serve Burleson and surrounding communities. Staff from the City of Burleson, the North Central Texas Council of Governments (NCTCOG), and the Fort Worth Transportation Authority (The T) will be at the meeting to listen to residents’ comments and answer questions about the study.

Details of the meeting are:

When: April 7, 2011
Time:  6:30 p.m.
Where:  Burleson City Hall
        141 W. Renfro St.
        Burleson, TX 76028

Anyone is welcome to attend the meeting.
