You are cordially invited to attend an important meeting regarding a planning study the City of Hurst is sponsoring with assistance from the North Central Council of Governments and the City of Bedford.

The meeting will address the Concept Design Planning conducted to date by our consultant team in support of the Bellaire Sustainable Development Plan.

We hope that you will join us and engage in a discussion of the work done so far and also give us your insight and input regarding your Bellaire area. The meeting details are as follows:

Wednesday, February 4
6 p.m. to 7 p.m.
The Hurst Christian Church (SW corner of Brown Tr. and Pipeline)
745 Brown Trail, Hurst, Texas

At the November 20, 2008 meeting we discussed the Economic Analysis conducted by the consultants. At the Feb. 4 meeting the consultants will present two Concept Design scenarios and ask for your input.

Without you, we cannot develop a realistic strategy that will lead to improvements in Bellaire’s image and economic viability. So, please join us for this important meeting.

If at any time you want to discuss the project, do not hesitate to call or email Mike Morgan at 817 788-7095 and mmorgan@ci.hurst.tx.us or Michelle Lazo at 817 788-7055 and mlazo@ci.hurst.tx.us.
