Public Invited to Transit Study Results Presentation

BURLESON, TX — The public is invited to a presentation of design concepts for a proposed train station and/or bus station in Burleson. The station concepts, along with proposed options for transit service in the community and surrounding area will be presented at the Burleson City Council’s work session at its first meeting in July.

When:  July 5, 2011
Time:   6:00 p.m.
Where:  Burleson City Hall
         Council Chambers
         141 W. Renfro St.
         Burleson, TX 76028

The presentation represents the results of a project that is co-sponsored by the City of Burleson, the North Central Texas Council of Governments (NCTCOG), and the Fort Worth Transportation Authority (The T). The project was to investigate transit service in Burleson and to develop design concepts for transit facilities that would be needed.

Anyone is welcome to attend the meeting. More information about the study can be found at www.nctcog.org/SDplanningprojects or www.burlesontx.com.
